

Dahlias 2021 - Download the Brochure

The latest info on our full assortment of garden Dahlias is available now.

Selecta One offers diversity in Dahlias across five series. The lineup hits several sizes, from small to extra-large, to meet the needs of your customers. Learn all the details on our latest 2021 Dahlia Brochure, available for [download now at our Catalogs+ page here](#).

Be sure to check out the [NEW Dahlita series](#), our most compact, fastest-to-flower option. It launches for the spring 2022 season.

All of our Dahlias are sourced from a worldwide-proven Dahlia cutting farm, so you can count on Selecta One's strong, reliable supply chain.
