

2026 Dianthus Catalog Now Available

Check out the latest Dianthus varieties from Selecta One.

Our wide range of Dianthus offers you the flexibility to choose the perfect size, color and flowering time you need. This year's catalog features an idea guide just for growers. This collection includes hardy landscape varieties, grab-and-go gift items and compact potted Dianthus that look delightful on a patio or coffee table.

Check out the new delightfully fragrant **Pink Shades DiaDeur™ Dianthus**. Perfect for containers and garden use, DiaDeur Dianthus combines stunning beauty with an unforgettable scent sure to catch eyes (and noses) at retail.

The 2026 Dianthus Catalog is also packed with essential resources to support your success. Inside, you'll find a comprehensive scheduling chart and detailed growing guidelines designed to simplify planning based on your specific growing conditions. With Selecta One's versatile varieties, you get solutions bred to help you meet your goals this growing season. Since Selecta One is USDA approved to supply dianthus cuttings from offshore production into the United States, you'll receive any quantity you need, all in one shipment.

Contact your sales rep or Root & Sell dealer for more details or to request a printed copy. You can also [download the catalog as a pdf](#) or start your interactive search in the flipbook below.
