

2026 Dahlias Brochure Now Available from Selecta One®

Find the latest selection of our full assortment in Dahlias.

Explore the diversity of Selecta One Dahlias. The 2026 Dahlias Brochure features four series that range from compact to medium, as well as large double-flowered varieties. Find the varieties to meet the needs of your customers and learn how each series can best fit your next program.

All the latest information on each of the series can be found in one place. Check out these [four dahlia series](#), which include:

- **Dahlietta®** with compact vigor
- **City Lights™** with medium vigor
- **Dalaya®** with medium vigor
- **Venti™** with large vigor

With a variety of sizes, vigors and colors, Selecta One provides the diversity growers are looking for in Dahlias. [Download your copy of the brochure](#), or start exploring the new varieties in the digital flip book below for your convenience.
