

Introducing NEW Dynamix™

# Combination Inspiration!

Express your creativity while enhancing your combination program with Dynamix from Selecta One.®

Dynamix recipes provide the flexibility to customize components and build your own combinations.

These high-impact recipes have been proven to grow well together, from bench to consumer.

## What's your DIY mix?

1. Get started at [selectanorthamerica.com/Dynamix](https://selectanorthamerica.com/Dynamix) and explore combinations based on exposure, seasonality, timing and color.
2. Order your components individually as liners or cuttings.
3. To plant, follow our easy "plantograms" found on the Dynamix web page.
