

Dianthus

From lacy and petite to loud and proud, today's dianthus varieties are no wallflowers. Look for showstopping colors that include pinks, whites, reds, lavenders and purples, and fascinating flowers that boast multiple hues, dark eyes and double blooms. Their timing ranges from Very Early to Late, covering your whole production season. Check out all the varieties and add dianthus to your crop turns today!

Series	Indoor/ Outdoor/ Potted	Landscape	Perennial	Annual	Flower Type	Size/ Habit	Pot Sizes	Description
