Petunias

Trixi™ Hotter Than You Pink
Featuring **Headliner™** Lipstick,
Pink Vein, & White Petunia

Our renowned innovation has made Selecta One® a world leader in vegetative-propagated petunia breeding. Bold varieties captivate as they trail from baskets, add splashes of color to mixed containers and transform landscapes into blankets of rich hues.

Selecta One offers petunias in every habit, vigor, color, form and pattern – including several Sky types. This variety range ensures you'll be a hero when supplying your customers with exactly what they need.

Petchoas

What happens when you combine the very best qualities of resilient petunias with vibrant calibrachoas? You're rewarded with high-performance Petchoa EnViva™, a breakthrough series with next-level resilience and vibrancy. Got tough weather? No worries! EnViva's durable blooms stand up to rain showers while performing well in the heat!

Vivid Petchoa EnViva shines in summertime's favorite shades of red, white and blue. And don't miss EnViva Pink – it's a rock star!
